# The Arab Horse Society

## Notes

"Yes" denotes which classes the Judge is eligible to judge.

The date shown in some cases in the appropriate column indicates when the judge was first appointed to that Panel and it will be shown for the first five years after his/ her appointment. Height is also included for some Ridden Judges.

## Classification of Judges

<b>Pure Bred In-Hand</b>	May judge In-Hand classes of Pure Bred Arabs, Anglo Arabs and Part Bred Arabs.
<b>Anglo/ Part Bred In-Hand</b>	May judge In-Hand classes of Anglo Arabs and Part Bred Arabs.
<b>Ridden</b>	May judge Ridden classes of Pure Bred Arabs, Anglo Arabs or Part Bred Arabs.

To assist show secretaries ridden judges have been asked to state their required method of mounting. Although the AHS recommends that all judges use a mounting block, some judges prefer to have a leg up. Their preference is identified as **MB** Mounting Block or **LU** Leg up. Where they are prepared to use either method this is stated as MB/LU with the preferred method **highlighted**. Further clarification should be sought from the individual judges where in doubt.

**It should not be assumed that stewards are prepared or able to "leg up" judges and where this is the judge's preferred method shows should ensure they have made arrangements prior to the event.**

# ARAB HORSE SOCIETY

## SMALL SHOWS SCHEME

The Arab Horse Society is very keen to encourage the many small shows across the UK to become affiliated to the Society. In the past, show organisers have told us that they would like their shows to be affiliated but they are unable to find judges in their area who can cover both the in-hand and the ridden classes. The Society has developed a scheme that will allow more shows to affiliate. The scheme will allow the shows, and the exhibitors to have the benefit of the high quality judges on the AHS Judges Panel and the use of Society rules.

The scheme involves expanding the existing Judges List to allow ridden judges to judge in-hand classes, and in-hand judges to judge ridden classes from the ground, at affiliated shows that fit a set criteria.

Criteria for shows to be able to appoint a judge from the list:

Not to be

- an ECAHO Show,
- a HOYS qualifying show,
- or the British Arabian Championship Show.
  
- Previous year entries are not to have exceeded **thirty** horses across all Arab classes.

**The following judges are participating in this scheme – please see the main entry for their contact details. (Judges with a \* and bold type are able to judge all three sections at any AHS Affiliated show and, along with those on the main ridden list may ride the exhibits)**

# INSTRUCTIONS TO JUDGES – JANUARY 2016

**Judges must avoid any circumstances which could be an actual or perceived conflict of interest and must obey implicitly the AHS Rules concerning conflicts of interest.**

1. All Judges whose name appears in the AHS List of Officials booklet and all Trainee Judges on the AHS Register of Trainees agree to meet the requirements of these Instructions to Judges. Failure to do so will result in the matter being dealt with in accordance with the procedure described at Instruction 52.

2. **Membership of the Arab Horse Society (AHS).** All Judges must be paid up members of the AHS. Membership is checked annually. Judges should note that failure to pay subscriptions as they fall due will result in removal from the List of Judges.

3. **AHS List of Judges.** All AHS Judges should have a copy of the current AHS List of Judges. Please notify any change of address or contact details to the AHS immediately.

4. **Retirement from the List of Judges.** The List is intended to be a list of active Judges only. Please ask for your name to be removed should you feel you are unable to accept invitations to judge or if your mobility is in any way impaired. **Ridden Judges** must be riding fit and capable of riding many horses in the course of a day.

5. **Annual Return.** All Judges must complete an Annual Return. This is sent out to all Judges at the end of the season asking them to list the UK and overseas shows at which they have judged and those they have had to refuse. Failure by a judge to complete the Annual Return could result in that judge's name being omitted from the List of Judges or could result in that Judge remaining on the List when not intended.

Judges resident in the UK who have not judged in the UK for two consecutive years will no longer be included on the List.

6. **Refresher Courses.** Judges are required to undertake AHS refresher courses and/ or Judges' Workshops at regular intervals and at least once every 5 years. Failure to do so may result in removal from the List of Judges. **Ridden Judges** should also maintain their riding skills through one-to-one tuition from time to time.

7. **Criminal Convictions.** Judges who have or have had a criminal conviction (with the exception of minor motoring convictions) will not be eligible to represent the Arab Horse Society and will be removed from the List. Judges finding themselves in this situation should inform the society.

8. **Insurance.** The Society has third party liability insurance covering Judges and Trainee Judges for claims that may be made against them whilst undertaking their duties as Judges in the UK. The extent of the cover can be checked by contacting the AHS office. It is recommended that Judges have their own adequate insurance cover for personal injury and loss of income. Judges are entitled to ask show organisers what insurance cover they carry and whether a Health and Safety risk assessment has been undertaken for the show.

## INVITATIONS

9. **Relevant Panel.** Before accepting an invitation ask what classes you are expected to judge and make sure you are qualified and eligible to judge by being on the appropriate AHS List for each class. Only those Judges on the Ridden List may accept invitations to judge Cherif Qualifiers.

Subject to certain criteria Shows that are unable to engage a separate judge for Ridden and In-Hand classes may appoint a judge from the Small Shows List. Shows may ask the AHS to appoint a rider to accompany an in-hand judge for ridden classes. This does not apply to Cherif Qualifiers.

10. **Invitations to Judge.** These should be promptly answered in writing. If the invitation is initially by telephone judges should take a name and contact number at the time of the call.

11. **Mounting Blocks.** At the time of agreeing to accept an appointment Ridden Judges should establish with the Show Organiser any mounting or legging-up requirements. Judges should be clear as to whether they will provide their own mounting block or expect to be legged up. The show must have this information well in advance of the show date to enable them to make necessary arrangements.

12. **Expenses.** Judges are advised to give the Show Secretary the mileage their journey has incurred and allow the Secretary to decide the rate per mile. Judges may discuss travelling and other expenses when they are first contacted by the show organiser to avoid any later misunderstandings.

**13. Acceptance.** Once you have accepted an invitation to judge you must not back out of the commitment except under the most extreme circumstances and certainly not in order to accept an invitation to judge at a more attractive show. (The AHS Shows and Events Committee may request a medical certificate in cases of a broken judging appointment as a result of illness). Judges who become incapacitated (including pregnancy) must contact the show Organiser at the earliest opportunity to relinquish the appointment in its entirety. Ridden Judges must not retain the appointment and judge with a rider.

**14. Emergencies** - In cases of emergency, when you are unable to fulfil an engagement, it is important to immediately contact the Show Organiser. You must not try to find a substitute unless asked by the Show Secretary to do so).

#### **IN HAND**

**15.** No Judge may officiate as an In Hand Judge or Reserve In Hand Judge of Pure Breds at more than two ECAHO affiliated shows in the UK in any one calendar year.

If In Hand judging appointments at two shows are accepted a different sex must be judged at each show. In addition two Anglo and Part Bred Arab Sections may be judged at the above shows.

Where a Judge officiates for both sexes at the same show it will count as one assignment.

**16. In Hand Judges** must not accept an invitation to judge Pure Breds at ECAHO Shows until they have been on the Judges List for three years and judged a minimum of 10 affiliated shows. This rule also applies to invitations to act as a Reserve Judge at ECAHO Shows.

The AHS Shows and Events Committee reserves the right to waive Instructions 14 and 15 in very exceptional circumstances.

#### **RIDDEN**

**17. Ridden Judges.** With the exception of Novice classes Ridden Judges may not officiate at more than a total of two of the following U.K. shows in any season: -

*ECAHO 'A, B or C' Shows      The Royal International*

If judging appointments at two of the above shows are accepted, where possible, a different category should be judged. **Judges must have judged a minimum of 10 affiliated shows before they may accept an appointment to judge classes at ECAHO affiliated Shows.** This rule also applies to invitations to act as a Reserve Judge at ECAHO Shows.

The AHS Shows and Events Committee reserves the right to waive Instruction 16 in very exceptional circumstances.

**18. Only two HOYS Qualifier** may be judged in a season and these must be more than 100 miles apart. Judges officiating at the HOYS Final may not judge a HOYS Qualifier in the same season

**19.** Not used

**20.** Ridden Judges should always ride the exhibits. If this becomes impossible because of extraordinary circumstances the judge should contact the Show Organiser so that an announcement can be made at the commencement of the class.

#### **DRESS**

**21. Male In Hand Judges** should wear a suit and a bowler hat. In hot weather it is recommended that they wear light suits and Panama hats, as it is not appropriate for them to remove their jackets. In wet weather it is permissible to wear a mackintosh and wellingtons.

**22. Female In Hand Judges** should wear a neat dress, suit, trouser suit, coat or mackintosh according to the weather, with practical footwear and a small hat. Handbags and umbrellas must not be carried into the ring.

**23. Ridden Judges** should wear a hacking jacket, breeches and boots and are strongly advised to wear an approved safety hat with a harness. A cane should be carried. A mackintosh should not be worn while riding except in exceptional circumstances. Spurs must not be worn.

#### **RULES**

**24. Rules.** Arabian classes at all AHS affiliated shows are governed by AHS Rules for Showing. In addition some shows are affiliated to ECAHO which has its own set of rules governing the Pure Bred In-Hand sectors of those shows. At shows affiliated to both authorities ECAHO Rules take precedence over AHS Rules. ECAHO Rules are enforced by ECAHO Disciplinary Committee Members and AHS Rules by the Show Organiser. In HOYS qualifying classes the rules of both organisations will apply but HOYS rules will take precedence where there could be a clash or conflict.

**25.** Judges must be familiar with and adhere to the AHS Rules, ECAHO Rules and HOYS Rules. ECAHO Rules are detailed in the EAHSC Blue Book and can be downloaded from the ECAHO website at [www.echo.org](http://www.echo.org)

**26.** Judges should have knowledge of the scheduled classes. Judges are expected to be able to answer queries so should familiarise themselves with each individual show's own rules, with the special

awards available and the conditions under which they can be awarded. Shows sometimes have special dress codes which can apply to exhibitors or judges.

27. spare

## PROCEDURE

28. **Punctuality** - It is essential that the Judge should arrive punctually and report to the Show Secretary at least 30 minutes before the first class is due to commence.

29. **Safety**. Judges must be aware that it is their responsibility to ensure that their ring runs correctly and safely at all times.

30. The Judge should instruct the Steward beforehand on how he/she intends to run the class. The Judge must maintain order via the Steward. Both Ridden and In Hand classes must be judged using the system specified by the Show Organiser. This will be the comparative system or the points system.

31. **Spectators**. Shows are staged partly for spectators. Their interest should be considered by the Judge and his/her ring procedure should be designed to help them appreciate the classes. Attention should not be drawn to an exhibit's faults.

32. **Exhibitors**. The Judge should consider the interest of all the exhibitors as each one has expended time and effort to bring his/her horse before you. All exhibitors must be given the same consideration and the method of judging must be consistent for all exhibits.

33. **If a horse appears to be lame** the Judge may indicate to the exhibitor, through the Steward, that he/ she considers the horse to be going unevenly and thereby give the exhibitor a chance to withdraw from the class rather than be placed down the line.

34. **Comparative system**. Unless there are exceptional circumstances In Hand exhibits should be paraded in a clockwise direction. When they are lined up in order of merit the line should run from left to right in front of the Judge with the winner on the left. Any departure from these two conventions is likely to lead to confusion amongst spectators and exhibitors.

35. Before beginning individual inspections the Judge should instruct the Steward to call in all the exhibits, i.e. do not leave the last two or three horses walking around.

36. The seriousness and difficulty of judging decisions must not make for delay. It is extremely desirable that the timetable is adhered to. The Judge should adapt him/herself to the time available.

37. It is not considered desirable for Judges to touch the horses' mouths as they might thereby spread disease from horse to horse. If a Judge needs to inspect an animal's teeth he/she should ask the handler to part its lips. If one horse's teeth or limbs etc. are closely examined then all horses should be similarly inspected so as not to draw attention to any one particular animal.

38. It is the duty of the Judge to place all the animals before him/her in order of merit. The monetary value of the exhibits should not be taken into consideration. The price someone will pay for a horse is often closely related to the merit of the animal but involves other factors and is not a direct measure of it. Judges should not be unduly influenced by the age of the horse they are judging.

39. **Blemishes** need not prevent an animal from gaining an award. Healed wounds are generally less serious than abnormalities such as splints or curbs which may arise from faulty conformation. The Judge must form his/ her own opinion of the seriousness of the blemish.

40. The Judge may ask the age of the exhibits in mixed classes but may not enquire the name, breeding or owner of the animals before he/she has finished judging the class, nor that of the first two in each class before the Championship has been judged. The Judge should not call any exhibitor by his/her name in the ring and must remain completely detached. No social conversation should take place during the course of the classes

41. **In ridden classes** a horse's manners are important and Judges should refuse to ride unmannerly, unschooled or dangerous horses. Classes as a whole must be ridden and not judged from the ground, the exception being any pony 148cms and under, which will not be ridden by the Judge. Exhibits not ridden must be asked for an individual show. In mixed height classes if the Judge chooses not to ride a pony this decision should be made at the commencement of each class and communicated to all the exhibitors so that they clearly understand the position from the outset.

## CHAMPIONSHIPS

42. **All exhibits** in a Championship, both In Hand and Ridden, must display their first or second place rosettes from the relevant class.

**43. Ridden Championships.** Judges are reminded that Ridden Championships are based on manners, performance and individual show. Horses are lined up from the left with second placed horses standing behind their firsts. All firsts and, if time permits, all seconds are invited to do an individual show. In addition the horse standing second to the Champion is entitled to give a show before the Reserve Champion is selected. As Ridden Championships are based on performance any horse which misbehaves or is unsound should be sent out. Only in these circumstances may a second placed horse take the Championship (or Reserve) over first placed counterparts if fully warranted. No substitution for an absent first or second placed horse by a lower ranking horse is permitted.

**44. In Hand Championships.** First and second placed horses will enter the ring with seconds behind the firsts and walk round in this order. The Steward will line up the first-placed horses in class order from the left in front of the Judge. Second-placed horses will stand behind the first-placed horses in their respective classes.

The Judge should examine the first placed horses and select the Champion.

The second placed horse to that exhibit should be judged against the other first-placed horses for selection of the Reserve Champion.

Some shows require a Champion only, some require a Champion and Reserve and some require a Champion, a Reserve and a Second Reserve.

In the event of a horse placed first in its class being unable to take part in the Championship the horse placed second in the class will move forward and be judged with the others placed first.

Should the first-placed horse be sent out of the ring by the Judge for any reason it will be deemed to have taken part in the Championship and therefore the second-placed horse will not be judged with the other first-placed horses. Substitution for an absent first-placed or second-placed horse by third or lower ranking horses is not permitted.

#### **REPRESENTING THE AHS**

**45.** Judges and their companions must not exhibit or otherwise handle any horse or assist another exhibitor at a show at which they are judging.

**46.** After classes Judges are often approached for their opinion of animals they have seen. Be as helpful as possible but speak only to owners wanting advice about their horses. Care should be taken not to encourage those who are ready to disagree with a judge's decision, which is final.

**47.** The Judge is in a good position to suggest improvements (e.g. ring layout, classification and timetable) to the Show Secretary and it is entirely appropriate for Judges to do this tactfully in person or by letter subsequently.

**48.** Judges must ensure that any of their comments to handlers or exhibitors are tactful and constructive and be aware that comments are liable to be overheard and misinterpreted. Judges are ambassadors for the AHS and should be aware that their actions and comments may reflect on the Society as well as upon themselves.

**49.** Judges are expected to exhibit the highest standards of ethics inside and outside the show ring and are reminded that they are ambassadors of the Society at all times including at any event where they are not judging but may be spectating or supporting other exhibitors. When posting on the internet Judges must remember that they represent the AHS. Judges who disregard these requirements may be removed from the list.

**50.** It is the responsibility of judges to ensure that persons who accompany them to an assignment do not mix with exhibitors during the show and should act in a manner befitting a representative of the Arab Horse Society. Judges should also ensure that companions do not attempt to influence the judging in any way.

**51. Internet and Media.** Judges should be aware that social networking websites are a public forum and should not assume that their entries on any website will remain private. They should therefore conduct themselves when social networking in a way that is not detrimental to the AHS.

Judges must not use social networking sites or any media publication in any way which could result in damage to the Society's reputation or in any way that could be perceived as defamatory or abusive to any person or in any way that could constitute harassment or bullying.

## **52. Complaints Process**

52.1 If a Judge feels aggrieved a written complaint may be made to the AHS Shows and Events Committee which will investigate the matter.

52.2 If the Committee receives a complaint about a Judge or is made aware of any breach of these Instructions, the Judge will normally be advised of the nature of the complaint or breach and asked for a formal response. This will be in written form and placed on record. Complaints to the AHS Shows and Events Committee are treated in confidence and should be addressed to the Chairman of the Committee.

52.3 If the complaint is upheld the Judge will receive, in writing, either a) advice or one of the following penalties:- b) a reprimand, c) suspension from the List for a period which is suitable for the breach incurred and determined by the AHS Shows and Events Committee, d) removal from the List.

52.4 Any penalties incurred will be published on the website and placed on record. A Judge whose name has been removed from the List must attend and pass an AHS Final course and examination before being considered for re-instatement on the List. In extra-ordinary circumstances re-instatement may not be granted.

52.5 **Appeals.** Any appeal against the decision of the Shows and Events Committee must be made within 14 days in accordance with the AHS Complaints Procedures, copies of which can be obtained from the website or from The Arab Horse Society offices.

**53.** Judges should report to the AHS Shows and Events Committee any exhibitor(s) who in any way compromise, or attempt to compromise a Judge, or who are in breach of the AHS Rules for Showing.

### **TRAINING**

**54. Probationer Judges.** Senior Judges are requested to take recommended Probationers at shows when asked to do so by the AHS Shows and Events Committee.

**55.** Probationers must not interfere with the judging procedure and only comment when asked to do so by the Judge, normally at the end of each class. Probationers must withdraw from any class where a conflict of interest arises as regards their involvement with any exhibit.

**56.** Judges will be required to send a written report to the AHS Shows and Events Committee on the ability of the Probationer and they should therefore discuss the placings with the probationer after each class.

**57. International Panel.** Senior Judges wishing to be considered for the ECAHO International List must meet certain requirements to attain the necessary recommendation from Show and Events Committee before applying to ECAHO to attend their courses.

### SPECIFIC TO RIDDEN CLASSES

32. PROTECTIVE HEADGEAR Correctly secured British Standard skull caps/ riding hats that meet with current BSI or European safety standards must be worn by riders 18 years and under. A rider whose hat comes off will be disqualified with the exemption of bowlers, hunting caps and top hats where permitted, when it must be passed up from the ground. A rider, whose strap comes undone whilst competing must on penalty of disqualification, replace it or fasten it before continuing. The rider may stop without penalty to refasten the strap.

33. A Novice horse is one that has not been placed first in three ridden classes at novice or open level at affiliated shows prior to 1 January of the current season and/or has never qualified for HOYS. Horses that have been ridden in open classes abroad are not eligible to enter pre-novice and novice classes in the UK.

### 33.1 Pre-novice

Four year olds to wear ordinary snaffle bridle and bit (as BD Rules). A Pre Novice horse is one that has not been placed first more than twice at an affiliated show. Horses entered in Pre Novice classes may not enter Open classes at the same show. Pre Novice classes are not qualifiers for any championships. RASS classes are not taken into consideration.

34. Spurs must not be worn in Novice or Pre Novice classes.

35. Whips used in Ridden classes must not exceed 75cms (30ins). Side saddle excepted.

36. If competing in HOYS qualifying classes only shoes that do not cover the frog are permissible. Normal shaped open heeled plastic stick on shoes are permissible. No bar shoes, pads or gel pads are allowed.

38. Ridden class exhibits must wear conventional and well maintained English tack. The judge may refuse to ride or judge a horse if he/ she deems the tack to be unsafe or unsuitable. Under no circumstances may tack be changed during the judging of a class.

If competing in a championship the same tack used in the class must be worn. Whips are not considered tack.

39. Horses entered in ridden classes must be 4 years old or over. Age is calculated from the 1st January each year. (e.g. a foal becomes a yearling on the first day of January following that of its birth).

#### 40. RIDDEN CLASSES

The class as a whole should be ridden and not judged solely from the ground; the exception being any pony 148cm and under which must NOT be ridden but must be asked for an individual show. In a mixed height class this exception must be communicated to all the exhibitors so that they clearly understand the position from the outset of the class. Individual shows will be required in Championships. Where a show meets the criteria for the Small Shows Scheme and appoints an In Hand Judge for ridden classes none of the exhibits will be ridden.

#### 41. JUNIOR RIDER CLASSES

restricted to riders who are 18 years and under on the first day of the show. No spurs allowed. No stallions allowed. The judge will not ride any of the exhibits. The horses will give a short individual show and be placed on their performance and the ability of the rider. The winners of these classes do not qualify for the main Championships.

#### 42. HOYS QUALIFIERS

To qualify, the horse must not have previously qualified during the current year. For the HOYS Ridden Arab Horse of the Year the exhibitor must have purchased an AHS Q Card displaying the name of the horse.

43. Any exhibitor falling off within the show ring during the course of a class will be disqualified and asked to leave the ring dismounted.

43.1 If the Judge falls from an exhibit he/she must not remount that exhibit in that class and it must be asked to leave the ring.

It is at the Judge's discretion as to whether he/she feels fit to continue judging. If the Judge does not feel fit to continue a replacement Ridden Judge may be found. If this is not possible an In Hand Judge may judge from the ground in which case the exhibits will be asked to do an individual show. The Show Organiser has the right to over-ride the Judge's decision should he/she consider that the Judge is not fit to continue.

44. If a rider removes a horse from the ring without the permission of the judge or steward the show organiser will levy a £100 fine on the rider. The exhibitor will be ultimately responsible for ensuring payment. Exceptions may be made if the horse is seen to be unsafe and the rider is unable to attract the attention of the Steward.

45. In ridden classes, a horse's manners are important and Judges should refuse to ride unmannerly, unschooled or dangerous horses.

46. Horses must be trained to stand quietly to be mounted. Judges may choose to use a mounting block.

47. Any horse in a ridden class which behaves in a manner which could cause, or result in danger or injury to any other horse or person in the ring, will be ordered to leave by the Steward on instructions from the judge of that class.

48. LATENESS

Exhibits which appear late (missing the walk around the ring) will be excluded from the class.

49. If the class is being judged using a marking system the marks must be recorded in ink. Judges must not alter marks unless in extreme circumstances, if the marks are altered the judge must sign the marks sheet and initial the alteration. Judges have the right to alter placings if an animal misbehaves after the marks have been awarded. If a mistake in the marks is discovered, even after dismissing the class, it must be corrected and any qualification/ result amended.

50. RIDDEN CHAMPIONSHIPS

All qualified exhibits must be ridden into the ring. However, if a rider has qualified more than one horse, that rider will be allowed, if they wish, to exchange horses and ride each horse for its individual display. A groom is allowed into the ring to hold the horse whilst not being ridden.
